

## EUROPEAN DUCK FEATHER AND DOWN LUXURY PILLOW

**Features\*** Offering the perfect balance between comfort and support, this premium pillow is filled with European duck feather and down. 90% European duck feather and 10% duck down filling encased in a 100% cotton Nomite® cover. The higher ratio of feathers gives a firmer support feel, making one pillow ideal for front or back sleepers, or perfect to use as an under-pillow for added support with a softer, down, top pillow. The addition of the light and naturally airy, European duck down provides an incredibly soft and comfortable surface to lie on.

**Filling** 90% Duck Feather, 10% Duck Down

**Cover** 100% Natural Cotton, 233 thread count

**Piping** White

**Care** Washable at 40°C  
Tumble dry on medium for best feather and down recovery

**Available** Standard (74 x 48 cm) and King Size (90 x 50 cm)

**Sizes**

## ENGLISH DUCK DOWN AND FEATHER LUXURY PILLOW

**Features\*** Filled with decadently soft English duck down and feathers, this supremely soft pillow cocoons your head and neck in pure comfort. 80% English duck down and 20% English duck feather filling encased in a 100% cotton Nomite® cover. The abundance of down gives a super soft, full, and lofty feel, allowing the pillow to mould around your head for ultimate comfort. Perfect for front, back and side sleepers, ideal as a soft pillow to sit atop the feather under-pillow if you want to combine both softness and support.

**Filling** 80% English Duck Down, 20% English Duck Feather

**Cover** 100% Natural Cotton, 300 thread count with Prince of Wales check weave

**Piping** White

**Care** Washable at 40°C  
Tumble dry on medium for best feather and down recovery

**Available** Standard (74 x 48 cm) and King Size (90 x 50 cm)

**Sizes**

\* Allows people with dust mite allergies to enjoy natural bedding. The filling is hygienically washed and dried at high temperatures before being sealed in a tightly woven, downproof ticking which acts as a barrier to dust mites. No duck or goose is reared or kept for the sole purpose of obtaining down and feathers.

## HUNGARIAN GOOSE DOWN SURROUND LUXURY PILLOW

- Features\*** Filled with Hungarian goose down, this super lightweight pillow will allow your head to sink right into it. Incredibly soft and comfortable to lie on. Hungarian goose down filling encased in a 100% cotton Nomite® cover. The decadently soft down of the under plumage of the Hungarian Goose is one of the world's finest natural fillings. In colder climates, geese protect themselves from extreme weather and naturally produce a better quality of down. Chamber design provides additional support for the head and neck.
- Filling** Outer Chamber (33%): 90% Hungarian Goose Down, 10% Hungarian Goose Feather  
Inner Chamber (67%): 90% Duck Feathers, 10% Duck Down
- Cover** Outer Cover: 100% Natural Cotton Sateen, 400 thread count  
Inner Cover: 100% Cotton, 233 thread count
- Piping** White
- Care** Washable at 40°C  
Tumble dry on medium for best feather and down recovery
- Available** Standard (74 x 48 cm) and King Size (90 x 50 cm)
- Sizes**

## ADJUSTABLE WOOL LUXURY PILLOW

- Features** Fully adjustable and customisable for front, side or back-sleeping, this luxurious wool pillow is expertly handcrafted and filled with sumptuous British wool for natural comfort and temperature control. 100% authentic traceable British wool filling encased in a wool-fill quilted, 100% BCI cotton cover. This adjustable luxury wool pillow is as practical as it is comfortable. Handteasing of the wool cluster fillings will provide more loft for a softer feel, while gentle tamping and reshaping of the fillings will create a flatter, firmer feel.
- Filling** 100% authentic traceable British wool
- Cover** Quilted 100% BCI cotton, 260 thread count with a 100% authentic traceable British wool filling
- Care** Quilted cover is machine washable on a 30°C wool cycle using a wool care detergent.  
Remove promptly, gently reshape and line dry.
- Available** Standard (74 x 48 cm) and King Size (90 x 50 cm)
- Sizes**
